WPSA UK Branch Research Awards

Conditions of Award

- 1 Awards will be granted to selected students, academics and workers in the poultry sector for research into an aspect of poultry science, or a poultry related subject.
- 2 Applicants can be of any age and awards can be granted to the employees of commercial enterprises but only WPSA members may apply.
- 3 The application must be supported by the Supervisor/Head of Department/Director or equivalent, who should also provide project guidance when appropriate.
- 4 Applicants may be in receipt of other concurrent awards, but any applied for or already agreed must be declared in the initial application.
- 5 Projects (including reports) must be completed within 12 months of the award being made.
- 6 Successful applicants will be expected to produce a short report in a standard format (full details will be provided to successful applicants) on the completion of their period of study/research. The report will be available in the public domain either via the branch web site or through presentation at the Branch Annual Meeting held in the spring. Selection for the Annual meeting will be at the discretion of the Programme Committee.
- 7 Applications will be considered on their merit. The decision of the Council of the UK Branch of WPSA is final. The Branch reserves the right to make awards in full or in part, to withhold awards in exceptional circumstances and holds no responsibility for any claims which may arise as a result of these awards.
- 8 Any research or other work undertaken must comply with all existing legislation and any necessary licences must be obtained.
- 9 Applications, which must be made on the appropriate form (photocopies are permitted), must be received by the end of September and will be considered at the autumn Branch Council meeting.
